GENOA

This chair is designed with a sturdy structure and high-quality materials, giving a strong and durable impression. With an ergonomic backrest and soft cushions, this chair offers optimal comfort for long-term sitting. The combination of solid design and maximum comfort makes it a perfect choice for both work .

Designed with your comfort in mind, this seat features an extra wide, generously padded design that offers ample space to stretch out and relax.

This layered design gives the chair a more substantial and structured appearance, instantly making it look sturdier and more refined.
